

Relevant contextual and School Development Plan:

- Kindergarten to Grade 5
- 597 students
- SDP goals focus on reading and well-being

Relevant evidence and data that informs Digital Citizenship Plan:

- Our students are introduced to technology beginning in kindergarten with the use of iPads.
- Our iPads, MacBooks and Chrome Books are used throughout the grades in a variety of subject areas.
- A large percentage of our students report spending time at home using a number of different forms of technology

School Digital Citizenship Plan						Progress		
Long Term Goal (e.g. spanning 8-10 months)	Competency (may be chosen from the CBE DC Competencies)	Short Term Goals (in support of the long term goal)	Outcomes	Activities & Resources	Measures	November	January	June
Long-term goal #1 Students will be able to recognize and properly implement appropriate devices as learning tools to aid in their learning.	Involved I leverage digital tools to learn, express my creativity and collaborate with others	Short-Term Goal #1 I can recognize and identify technology tools available in my learning environment.
